

## Guidelines for CINE 2015 Poster Presentation

The IEEE CINE 2015 Poster session offers an opportunity for young researchers to present and discuss new visualization research through a forum that encourages graphical presentation, demonstration and active engagement with other CINE 2015 participants.

There will be a poster session running in parallel with tutorial sessions. Poster presenters should set up their posters on time according to the conference program. We will provide adhesive tapes for holding the posters. Each poster session will last 3 hours. Poster presenters are kindly required to remove their posters, once the session is over.

Each template is composed of two pages. The posters themselves have no predefined formatting, but dimensions may not exceed A0 paper size (841mm x 1189mm / 33.1" x 46.8").

**Please prepare your posters following the guidelines below:**

- **Poster Size** - The area available for the poster is limited to a rectangle 40 inches tall by 42 inches wide (101 cm by 106 cm). THE POSTER CHAIR RESERVES THE RIGHT TO TRIM ANY POSTERS LARGER THAN THE ALLOCATED SIZE TO THE ALLOCATED SIZE. Tables in front of poster boards are PROHIBITED.
- **Poster Format** - Poster materials must be legible from a distance of two meters. Lettering in text and figures should be at least 5 mm, and the headings should be at least 10 mm. The title of the paper, the authors, and their affiliations should appear near the top of the poster in letters approximately 25 mm high. ONLY PORTRAIT FORMAT IS ACCEPTABLE.
- **Suggested Poster Content** – Title, names of authors and affiliations, abstract, proposed work/framework, results/graphs, conclusion, and references.
- **Poster Mounting** - The surface of the mounting board is pushpin friendly. Posters must be mounted to the boards with pushpins. Push pins will NOT be available at the conference; you must bring your own. We also recommend that you attach an envelope near the bottom of the poster for people to leave business cards for reprints, etc. Please do not leave reprints of the paper on the floor.

Poster boards will be available when the Posters/Exhibits Hall opens on Monday, January 12, 2015, prior to the first poster sessions, which begins on Monday afternoon. The posters will remain on display through the morning poster sessions on Tuesday.

Present your poster in person at the designed time. The posters will all be displayed in the exhibit hall. All posters will be displayed from Monday through Thursday. Poster boards will be arranged with letters designating each aisle and numbered poster position on each aisle.

- **Poster Check-in:** You are required to check-in at the poster registration desk immediately before your poster session time. The poster registration desk will be located in the exhibit hall near the front of the poster area.
